

BACK TO SCHOOL

sur la mélodie de "Yellow submarine" (The Beatles)

We will work / and we will do

Stupid things / with our friends

We wake up / in the morning

And after / we take breakfast

We study in the collège Jean Moulin

The sea, the beach, / it's soon finished

I'm so sad / back to school

We'll get out / our notebooks

Set the clock / to get up early

We study in the collège Jean Moulin
